

Beaches & Cayes & Atolls

The coastal areas of Belize are a haven for wildlife and whether you choose a main land beach, a caye or an atoll, you can explore the Belize Barrier Reef, the worlds second largest reef and a UNESCO world heritage site.

Put on your snorkel and trade your tranquil beach sanctuary for the bustling coral reef and its mesmerizing colours. Paddle board and kayak in the sunshine and amongst the mangroves. Learn to dive and venture to the Blue Hole for an unforgettable, once in a lifetime experience. Fish? Belize hosts world-class fishing with knowledgeable local guides that will make sure you get your catch.
