

# Chile

Chile's variety of landscapes and innumerable National Parks should guarantee the country's place in everyone's bucket list. It is a country of extremes, friendly locals and wonderful gastronomy and world renowned wines. From the driest desert in the north to eternal glaciers in the south, from picture perfect blue lakes overlooked by majestic volcanoes, to mystical remote islands and a cosmopolitan modern capital surrounded by mountains and valleys growing some of the best wines!

There are not enough words to describe how wonderful a country Chile is, it has to be experienced to understand how beautiful it truly is. The best advice is to take your time, if you can, in order to get under the skin of its natural beauty and culture.
