

# Atlas Mountains Weekend Break

Two common misconceptions about Marrakech are the distance to the desert and the Atlas Mountains. Trips to the desert are fantastic but you need 3 or 4 days minimum. On the other hand the Atlas Mountains are right on the doorstep and you can be in the foothills 30 minutes from leaving the city. This means it is a genuine weekend destination in its own right and there are some stunning places to stay with beautiful views and lovely walks. Bab Ourika is one of the best...
