

Things To Do

Most of Seychelles activities and things to do are about nature, beach and water-sports. Nature enthusiasts will not be disappointed, as many endemic species can be found on the islands. In particular, Praslin Island with its Vallee de Mai is a must! Pristine and often completely empty beaches are very tempting prospect for those seeking pure relaxation..., why not to test our Wi-Fi and Telephone Escape itinerary ?

Snorkelling spots can be found everywhere, and the diving is worldclass. Other water-sports like windsurfing, surfing, kayaking or sailing are also available throughout the islands. Or if you fancy birdwatching, horse riding, cycling , hiking or walking, the Seychelles has something for everyone.

Whichever activity you decide to chose you will not be disappointed.

How you spend your time, is entirely up to you!
